# PROPOSED DEVELOPMENT AT IRONBRIDGE

## PUBLIC CONSULTATION EVENT

LOCAL RESIDENTS ARE INVITED TO DROP IN AT OUR PUBLIC EXHIBITION BETWEEN 2PM AND 7PM ON WEDNESDAY 22ND MAY TO VIEW THE PROPOSED MASTERPLAN FOR THE REGENERATION OF THE FORMER POWER STATION.

Since our first public consultation in October 2018, Harworth Group have collated the responses received and met with Shropshire and Telford & Wrekin Councils, stakeholders and interested parties to formulate a strategy for the site's development.

The masterplan sets out how we think we will be able to develop the site and you will have the opportunity to comment on our proposals. Following the consultation event, the intention is to submit a planning application to Shropshire Council in the autumn for the site's redevelopment.

From the morning of 22nd May you will also be able to view the masterplan and submit a consultation response via

We look forward to seeing you on Wednesday 22nd May.

Due to ongoing demolition preparation we will not be offering vehicle tours of the site at this event
